BIKE SAFETY

Do you ever feel a little shaky riding on the street?

If you answered yes, open the brochure to learn some important bike safety tips.

AND JOSHUA DUPRE
Always check equipment (brakes, horns, lights, tires, helmet, etc.) before riding!

Have a light on your bike if you ride after dark!

Wear bright colors when you ride!

Have reflectors on your bike!

Always wear a helmet!

Don't show off!

Wear closed-toed shoes; never ride barefoot!

Ride single file!

Follow the rules of the road!
